# FIRST TIME AT QUEEN OF THE DARKNESS?

## WELCOME, STRANGER!

You've found yourself in the most unusual and atmospheric bar.

Our magic is pure and beautiful, so all your wishes will come back
to you threefold! (Tested many times ;))

To ensure your evening goes perfectly, you just need to remember a few simple rules:

#### NO WAITERS HERE

The whole bar is under the power of the Werewolves. They are also the bartenders.

You are their guest!

The Werewolves prepare amazing cocktails, tell fascinating stories, and will recommend the best dishes from our fantastic menu (trust us, they've tried everything!)

## BY THE RULES, ALL ORDERS ARE TAKEN AT THE BAR.

If you order food (or a cocktail), the Werewolves will bring it to your table as soon as it's ready.

BUT! Sometimes, the Werewolves may come to your table to take your order if there aren't too many guests, or if you've really caught their attention...

#### FOOD IS PREPARED BY THE DRAGONS

(they are the chefs)

If you have any questions about the ingredients, product restrictions, or if something wasn't to your liking, please call the Head Dragon – they can solve any problem in the world!

## WE DON'T CHARGE A 10% SERVICE FEE,

but you can leave tips for the Werewolves since table service is not part of their duties...

They'll appreciate it, remember you, and next time, they'll definitely surprise you!

You can express your gratitude to the Dragons using a special container with the inscription "FOR THE NEW PRINCESS."
