DARK MENU:
DRINKS

WE DON'T HAVE WAITERS
Orders are taken at the bar,
and then the Werewolves will
bring everything to your table
themselves.

IF YOU HAVE ALLERGIES OR FOOD RESTRICTIONS, PLEASE INFORM
THE BARTENDERS.

FIRST TIME AT QUEEN OF THE DARKNESS?

WELCOME, STRANGER!

You've found yourself in the most unusual and atmospheric bar.
Our magic is pure and beautiful, so all your wishes will come back
to you threefold! (Tested many times ;))
To ensure your evening goes perfectly, you just need to remember
a few simple rules:

NO WAITERS HERE

The whole bar is under the power of the Werewolves. They are
also the bartenders.
You are their guest!

The Werewolves prepare amazing cocktails, tell fascinating
stories, and will recommend the best dishes from our fantastic
menu (trust us, they've tried everything!)

BY THE RULES, ALL ORDERS ARE TAKEN AT THE BAR.

If you order food (or a cocktail), the Werewolves will bring it
to your table as soon as it's ready.

BUT! Sometimes, the Werewolves may come to your table to
take your order if there aren't too many guests, or if you've
really caught their attention...

FOOD IS PREPARED BY THE DRAGONS

(they are the chefs)

If you have any questions about the ingredients, product
restrictions, or if something wasn't to your liking, please call
the Head Dragon – they can solve any problem in the world!

WE DON'T CHARGE A 10% SERVICE FEE,

but you can leave tips for the Werewolves since table service is
not part of their duties...

They'll appreciate it, remember you, and next time, they'll
definitely surprise you!

You can express your gratitude to the Dragons using a special
container with the inscription "FOR THE NEW PRINCESS."
